

FedEx Test System Access Confirmation

- 1
- Contact Info
- 2
- License Authorization
- 3
- Confirmation

Congratulations! Your Test System Access information is confirmed.

There are two parts to the FedEx Authentication process. There is a security code and a test key.

Please retain the following information in a secured environment. You will need this information to run your Web Services in the FedEx test environment.

A confirmation email will be sent to you with your Test Security Code and directions for testing your FedEx Web Service application in the FedEx Test environment.

Required for All Web Services
